SAFETY REMINDERS!

- **KEEP YOUR GARAGE DOOR DOWN**-thieves can get a good look at the items in your garage as well as entry into your home.
- **LOCK YOUR VEHICLES**—Don't leave purses, wallets, computers, cell phones or packages in your car or truck.
- **SCAMS**—Don't give personal information over the phone. When a caller asks for a donation tell them to send the material in the mail. If someone is trying to sell something over the telephone— hang up quickly.

JUST A REMINDER - FW LEAVES IT TO YOU

There will be no more leaf pick-up until next fall. If you have leftover fall leaves piled up in the street, please put them in the appropriate containers for the city to remove on garbage pick-up day. Old leaves left on the street can cause drainage problems. Thank you!

GREAT AMERICAN CLEAN-UP

When: Saturday, May 17th

This is the nations largest community improvement program that Fort Wayne has participated in for over 20 years. It is a time we can show our community pride by lending a hand to clean up our yards, clean out our garages and spruce up our neighborhood. **A dumpster will be located at the N.W corner of Delray and Exeter and will be available from 8am to 12 noon.** No household chemicals or other such landfill inappropriate items are accepted. This is a great time to get rid of some of your junk and unwanted things.

FRESH FOOD SPELLED E-I-E-I-O

Georgetown will again host a **Farmer's market** every Thursday beginning June 12th through September 11th. It is located near the Georgetown library.

GET YOUR SHINE ON

Now that we have your attention. **If you notice any of our street lamps flickering or are completely out, please notify the city by calling 311.** Each streetlight has a number located on the pole. Use this number as an identifier when calling. It is more expensive to replace a light that is completely out, so if you notice a flickering light, please call 311

THE SCOOP ON POOP

Just a reminder to keep your dogs on leashes when they are not contained and when you are walking your dog, **make sure to have a bag or pooper scooper with you.** This is actually a city code- "Keep pets inside fenced areas or on a leash controlled by a responsible person, pick up after your pets and keep barking under control" [City code chapter 91].

Thank You, in advance,
NGCA Board of Directors
